2 the time of Bach and Handel
the type of artistic thought was
not long after the methods

With the Hon. Secretary's Compliments.

of Vocal Counterpoint.

Opera works such as *Carmina*.
Sonatas, *Trios*, *Requiem*
Fantasia were all with the
a more feeling of pathos
than for harmonic form.

Notice how the characteristics of different
forms of art become more distinct
as time goes on. That is what

Whistler often calls differentiation.

And is observable in the progress
which we find in the products
of the human mind.

In the music of the times I have
been describing to you the style is

the method of art can often
be traced upon the tradition of

Classical Music — any degree
which is not in the music has
